Welcome to EUVIP 2026 & Luxembourg

We are delighted to welcome you to Luxembourg for the 14th European Conference on Visual Information Processing, EUVIP 2026, taking place from 28 September to 1 October 2026 at Parc Alvisse Hotel.

EUVIP 2026 brings together researchers and practitioners from academia and industry working in visual information processing and artificial intelligence. The technical program covers topics including visual modalities, processing tasks, performance assessment methods and applications.

The conference programme includes keynote talks, oral and poster sessions, special sessions, panel discussions and industry-oriented activities, providing opportunities to exchange ideas, discover recent advances and discuss emerging challenges in the field.

Luxembourg is a small, international country in the heart of Europe, combining historic architecture, modern institutions and a multicultural atmosphere.

Luxembourg City's old town and fortifications are recognised as a UNESCO World Heritage Site, with landmarks such as the Grand Ducal Palace, the Casemates du Bock and the city's historic districts.

The city is also home to several major European institutions and offers a mix of culture, gastronomy and modern city life. During your stay, you will have several opportunities to discover Luxembourg City and its surroundings through the conference's social programme.

Conference Information

Venue

The conference will take place at:

Parc Alvisse Hotel

120 Route d'Echternach
L-1453 Luxembourg

Located in Dommeldange, in the north of Luxembourg City, Parc Alvisse Hotel offers a quiet and green setting while remaining close to the city centre.

The hotel is accessible by car and public transport. Several bus connections link the hotel with Luxembourg City centre, Luxembourg Central Station and Luxembourg Airport.

Program

The conference will take place from 28 September to 1 October 2026.

The detailed program includes keynote talks, technical sessions, poster sessions, special sessions, panels, and networking activities.

Participants can access the latest conference program via the QR code.

Travel & Practical Information

Public Transport

Public transport in Luxembourg is free, including buses, trams and trains.

For schedules and routes, participants can use the **Mobiliteit.lu** website or mobile application.

From Luxembourg Central Station

By public transport:

Take bus line 6 towards Kockelscheuer and get off at Alvisse.

Approximate journey time: 30–35 minutes.

By taxi:

Approximate journey time: 20–25 minutes.

Estimated cost: €80–€100.

From Luxembourg Airport

By public transport:

Take the tram from the airport to Luxembourg Central Station, then bus line 6 towards Kockelscheuer and get off at Alvisse.

Approximate journey time: 45–50 minutes.

By taxi:

Approximate journey time: 20–25 minutes.

Estimated cost: €35–€50.

Travel & Practical Information

Weather

At the end of September and beginning of October, Luxembourg usually experiences mild early-autumn weather, with temperatures typically ranging from approximately 10°C to 17°C.

Rain is possible, so we recommend bringing a light waterproof jacket, umbrella and comfortable walking shoes, particularly for outdoor activities and the guided city tour.

Time Zone

During the conference, Luxembourg will be on Central European Summer Time – **CEST**.

Electricity

Luxembourg uses Type C and Type F plugs.

The standard voltage is 230V, with a frequency of 50Hz.

Currency

The currency used in Luxembourg is the Euro (€).

Emergency Information

For emergencies, call 112.

Nearest hospital to Parc Alvisse Hotel:
Hôpital Kirchberg
9 Rue Edward Steichen
L-2540 Luxembourg

Social & Networking Events

Luxembourg Guided Tour

28 September 2026 | 14:00–16:00

Discover Luxembourg City's upper town and UNESCO-listed old town with an official guide.

The tour will take you through some of the city's most important landmarks, including the Grand Ducal Palace, the Corniche, historic fortifications and panoramic viewpoints.

Welcome Drink

28 September 2026 | From 18:00

The Welcome Drink will take place at Neimënster, located in Luxembourg City's historic Grund district.

Neimënster, officially known as Neumünster Abbey, is one of Luxembourg City's most important historic landmarks. Originally founded in the 17th century, the former abbey has had several uses throughout its history and today serves as a cultural centre for exhibitions, concerts, conferences and events.

Its location at the foot of the Bock cliffs provides a unique historic setting for the EUVIP Welcome Drink.

Gala Dinner Cruise

30 September 2026

The EUVIP Gala Dinner will take place aboard the MS Princesse Marie-Astrid on the Moselle River. Round-trip transportation will be provided by bus.

Departure: approximately 18:30 from Parc Alvisse Hotel

Return: approximately 23:30

During the evening, participants will enjoy a three-hour dinner cruise, offering an opportunity to relax, network and discover the Moselle region.

The MS Princesse Marie-Astrid also has historical significance: an important chapter of European history took place aboard the previous ship bearing the same name, where the Schengen Agreements were signed in 1985 and 1990.

Accessibility & Dietary Requirements

Venue Accessibility

Parc Alvisse Hotel offers step-free access and elevators.

The conference areas and corridors are designed to provide comfortable access for participants with reduced mobility.

Public Transport

Luxembourg's buses, trams and trains are generally accessible to passengers with reduced mobility.

Public transport vehicles commonly provide low-floor access or ramps, dedicated spaces for wheelchair users and audio/visual announcements.

Gala Dinner

The boat hosting the Gala Dinner is equipped with an elevator, providing access for participants with reduced mobility.

Need Assistance?

If you have specific accessibility requirements or require further assistance, please contact the organising team before travelling so that appropriate arrangements can be made.

Dietary Requirements

Vegetarian and vegan options will be available during the conference.

A halal option will also be available for the Gala Dinner.

Dietary preferences, allergies and intolerances indicated during registration have been taken into account.
